ADE BRANCH MEMORANDUM NO. 502.1

Supplement No. 4

To: ADE Branch, AIQ Branch, and M.I. Branch Stations

From: E.E. Saulmon, Acting Chief, Public Stockyards Inspection
Section

Subject: Cresylic Disinfectants Permitted for Use in Official
Disinfection - Supplemental List

I PURPOSE

The purpose of this memorandum is to furnish employees engaged in livestock disease control activities with a supplemental list of cresylic disinfectants which conform to the specifications prescribed in Section 5, Regulation 1, BAI Order 309 (9 CFR 71.10).

II GENERAL

Employees supervising the disinfection of infected or exposed cars, trucks, boats, other vehicles, stockyard pens, chutes, alleys, premises, etc., with cresylic disinfectant should make sure the product is one of the brands permitted for official use under Department regulations. The following permitted disinfectant which is to be diluted in the proportion of at least four fluid ounces to one gallon of water should be added to the current list:

S.O. Super-Germite Cresylic Solution, Standard Oil Co. of California,
San Francisco 20, California

E. E. Saulmon
